MEMORANDUM FOR: Director, GDIP Staff

FROM: Director, Program and Budget Staff, IC Staff

SUBJECT: Congressional Questions for the Record

Marty

My thanks to all the members of the GDIP Staff for their help in responding to the great number of FY 1985 congressional questions for the record which required a GDIP answer. The written responses were almost always very timely and well written, and on the few cases where there were minor problems, your staff responded cheerfully and professionally. I wish to especially thank Jerry Williams, who managed things so well in your absence.
